STATEMENT of Claim

Plaintiff Christina Hicks this suit against the named Defendants for violation of her civil rights and violation of state and federal law. on or about June 12th 2019 the Plaintiff was a referral of Angelito C. Mercado to be employed at People Ready staffing agency by Tessa Wetherald and Shamea Terry to work at the Cummins Engine Company in ~~Watersboro~~ Indiana through the PQM Corporation. the plaintiff was told by Ms. Wetherald and Ms. Terry she would be making \$13.00 an hour and the plaintiff was also told by Ms. Wetherald and Ms. Terry to lie on the application process about being a convicted felon and that they would also bypass her drug screen and place her at Cummins for employment. During the first 2 weeks People Ready failed to provide a check stub to the plaintiff and the plaintiff complained to People Ready staff and was finally provided a check stub to her email. the plaintiff noticed she was only being paid \$12.00 an hour. People Ready at first told the Plaintiff there was a mistake about the hourly pay and was accidentally told she would be paid \$13.00 an hour. the Plaintiff then complained to the Supervisor James Batiz at Cummins who was the group leader. MR Batiz informed the plaintiff

that His Company was paying People Ready \$13.00 an Hour for each Employee and that it was illegal for people Ready to only give the plaintiff \$12.00 an Hour. the Plaintiff continued to complain to people Ready and finally the Plaintiff was credited about a week later for pay at \$13.00 an Hour But People Ready refused to pay the \$13.00 an Hour for the first week of Employment when the plaintiff had 24 hours of labor. People Ready Employees Ms. Wetherald and Ms. Terry told the Plaintiff she would not receive credit for the first 24 hours because she was only making \$12.00 an Hour that week But given a Dollar Raise the 2nd week and therefore already given credit. Both Ms. Wetherald and Ms. Terry told the plaintiff to stop talking to Mr. Batiz about her Hourly pay and not to discuss her Hourly pay with anybody at all. Mr. Batiz then notified the Plaintiff that he received a Text from Ms. Wetherald to stop talking to her Employees about there Hourly pay and made threats to him about knowing people at Cummins to get him fired. Plaintiff Believes this is the Reason People Ready will no longer assign Any more Jobs to her.

having the Plaintiff lie on A Application to Be placed in Employment she is not eligible for financial Gain is a violation of state and federal law. Telling the Plaintiff she is making \$13.00 an hour and only paying her \$12.00 is a violation of state and federal law.
